

## CARSON CITY AIRPORT LEASE AGREEMENT

This lease, made and entered into this 28th day of March, 1997, between the Carson City Airport Authority (Landlord), whose address is 2600 E. Graves Lane #6 Carson City, Nevada 89706, and Lud Corrao Family Revocable Living Trust dated November 15, 1984 (hereinafter referred to as Corrao or Tenant), whose address is P.O. Box 12907, Reno, Nevada 89510.

### WITNESSETH:

WHEREAS, Corrao is the principal of Corrao Incorporated of Reno and currently leases from Landlord certain ground space for Corrao's hangar and ramp area pursuant to a lease recorded October 21, 1994, as Document No. 000168289, which lease also includes ground space for a hangar and ramp area held by J.E. Pistons whose principal is Wayne Brooks; and

WHEREAS, Corrao and J.E. Pistons desire to split the ground lease into two to coincide with their respective hangars with joint use of common ramp areas, and to have the leases reflect the ownership by the principals; and

WHEREAS, the terms of this lease (except for the split of tenants and area) are a restatement of, and shall be a replacement for, the earlier lease.

THEREFORE, Landlord and Tenant agree as follows:

1. PREMISES. Landlord leases to Tenant and Tenant leases from Landlord the real property located at the Carson City Airport in Exhibit A (premises), and the appurtenant rights included in Paragraph 8. Corrao and Brooks shall also have joint use of the ramp areas common to their respective leaseholds.

2. TERM. The term is fifty (50) years commencing October 24, 1994.

3. RENT. Tenant shall pay to Landlord:

A. \$3,564.88 dollars per year; calculated as base rates of \$0.102 per square foot per year for areas 1A and 1B, and \$0.02 for the clear area, or \$0.075 per square foot per year for the entire leased area (45,084 sq. ft.), and increased by 5.9% CPI as of January 1, 1997. Rent shall be payable monthly with the first year's payment due in advance and with payments thereafter due on the first day of each month.

B. Fuel flowage fees pursuant to Paragraph 8 of this Lease, such fees to be paid at the time of each delivery of fuel to Tenant's fuel storage facility.

4. CPI ADJUSTMENT. An adjustment of the rental and fees above described shall occur on two year anniversary intervals from January 1, 1995, during the term of this Lease. Such adjustment of rental shall be based upon the percentage change reflected by the Consumer Price Index (hereinafter called the Price Index) for the preceding two year period. The Price Index shall mean the average for "all items" shown on the "U.S. City Average for All Urban Consumers" as promulgated by Bureau of Legal Statistics of the U.S. Department of Labor, as amended or replaced by the agency. LESSOR shall measure each two year adjustment using the most recently available report, recognizing that it may be necessary to use a 2 year period with a final quarter ending prior to each December 31 adjustment date. In no event, however, shall any decrease in the Consumer Price Index result in a decrease of the rental below the base rate. For example, if the CPI for December 1996 is 155.0 (1982-1984=100) and for December 1994 is 150.0, then the rent would be adjusted by the difference (155.0-150.0) divided by 150.0 which equals a 3.3% increase.

5. IMPROVEMENTS. Tenant has completed the construction schedule.

6. DEFAULT. The occurrence of any of the following shall constitute a default by Tenant:

A. Failure to pay rent when due, if the failure continues for ten (10) days after notice has been given to Tenant.

B. Abandonment and vacation of the premises (failure to occupy and operate the premises for thirty (30) consecutive days shall be deemed an abandonment and vacation).

C. Failure to perform any other provision of this lease including the construction requirements, if the failure to perform is not cured within thirty (30) days after notice has been given to Tenant. If Tenant can demonstrate to the satisfaction of Landlord the default cannot reasonably be cured within thirty (30) days, Tenant shall not be in default of this lease if Tenant commences to cure the default within the thirty (30) day period and diligently and in good faith continues to cure the default.

D. Filing a petition of voluntary or involuntary bankruptcy.

E. The making by the tenant of any general assignment for the benefit of creditors.

F. Violation of any of these standards, rules, and regulations, or failure to maintain current licenses required for the permitted operation.

Notices given under this paragraph must specify the alleged default and the applicable lease provisions, and must demand that Tenant perform the provisions of this lease or pay the rent that is in arrears, within the applicable period of time, or quit the premises. No such notice will be deemed a forfeiture or a termination of this lease unless Landlord so elects in the notice.

7. **REMEDIES.** Landlord shall have the following remedies if Tenant commits a default.

These remedies are not exclusive; they are cumulative to any remedies now or later allowed by law.

A. Tenant's right to possession not terminated. Landlord can continue this lease in full force and effect, and the lease will continue in effect as long as Landlord does not terminate tenant's right to possession, and Landlord shall have the right to collect rent when due. During the period Tenant is in default, Landlord can enter the premises and relet them, or any part of them, to third parties for Tenant's account. Tenant shall be liable immediately to Landlord for all costs Landlord incurs in reletting the premises. Reletting can be for a period shorter or longer than the remaining term of this lease. Tenant shall pay to Landlord the rent due under this lease on the dates the rent is due, less the rent Landlord receives from any reletting.

If Landlord elects to relet the premises as provided in this paragraph, rent that Landlord receives from reletting shall be applied to the payment of:

First, any indebtedness from Tenant to Landlord other than rent due from Tenant;

Second, all costs, including maintenance, incurred by Landlord in reletting;

Third, rent due and unpaid under this lease, after deducting the payments referred to in this paragraph, any sum remaining from the rent Landlord received from reletting shall be held by Landlord and applied in

payment of future rent as rent becomes due under this lease. In no event shall Tenant be entitled to any excess rent received by Landlord. If, on the date rent is due under this lease, the rent received from reletting is less than the rent due on the date, Tenant shall pay to Landlord, in addition to the remaining rent due, all costs including for maintenance Landlord incurred in reletting that remain after applying the rent received from the reletting as provided in this paragraph.

**B. Termination of Tenant's right to possession.** Landlord can terminate Tenant's right to possession of the premises at any time after default. No act by Landlord other than giving notice to Tenant shall terminate this lease. Acts of maintenance, efforts to relet the premises, or the appointment of a receiver on Landlord's initiative to protect Landlord's interest under this lease shall not constitute a termination of Tenant's right to possession. On termination, Landlord has the right to recover from Tenant the unpaid rent that had been earned at the time of termination of this lease, and any other amount, and court costs, necessary to compensate Landlord for all detriment proximately caused by Tenant's default.

**8. APPURTENANT RIGHTS AND RESTRICTIONS.**

A. Tenant may use the premises primarily for the storage of aircraft; machinery, parts and tools associated with the stored aircraft; office space associated with the stored aircraft, and is expressly prohibited from conducting any activity at the Carson City Airport other than that provided by this Agreement or as may be approved by Landlord. Tenant is, by this lease, an authorized FBO for the inside storage of aircraft, and shall comply with the provisions of Title 19

applicable to the public provision of aircraft storage for multiple aircraft hangars. Tenant shall not perform any salvage, rehabilitation, maintenance, construction or reconstruction, commercial, or industrial operations for any aeronautical uses, vehicles, and equipment except for aircraft owned by Tenant. Except as specified in this Lease, Tenant is prohibited from any fixed base operations which are revenue producing in or on or from Tenant's facility. Tenant may conduct such non-aviation business upon the premises as are otherwise permitted by law and do not otherwise interfere with the aviation uses permitted under this Lease and other leases on this airport. Landlord's decision shall be final as to claims of conflict over interfering uses. Landlord agrees that Tenant will be the sole Tenant and occupant of the leasehold under the terms of this lease Agreement. Tenant may construct, upon Landlord approval and other applicable governmental approvals, a fuel storage facility for Tenant's own use only. For all fuel so stored, Tenant shall pay Landlord a fuel flowage fee designated in Title 19 of the Carson City Municipal Code applicable to all owners of fuel storage facilities, except those which are limited by leases or contracts entered into by Carson City prior to the creation of the Carson City Airport Authority (July 5, 1989).

B. Ingress and Egress. Tenant shall have full and unimpaired access to the premises at all times and a nonexclusive right to use the taxiway area between premises and runway. Tenant shall be responsible for, and control the access to, the premises. Access between the leasehold and Airport shall comply with the Landlord's rules, regulations, or access plans.

C. Right of Entry. Landlord, or its designated Airport Manager or agent, reserves the right to enter upon the premises at any reasonable time for the purpose of making any inspection deemed expedient or desirable for the proper enforcement of any terms, conditions, provisions, and covenants of this Agreement.

D. Air Space and Subsurface Rights. This lease confers no rights to the subsurface of the land more than five (5) feet below the ground level of the premises or to airspace more than ten (10) feet above the top of the roof of the building or buildings that is a part of the premises. All exemptions or applications must have the prior approval of Landlord.

E. Federal Requirements.

1. The Tenant for himself, his heirs, personal representatives, successors in interest, and assigns, as a part of the consideration, does covenant and agree as a covenant running with the land that tenant shall comply with all Federal Aviation Regulations (FARs) applicable to tenant's operations on the premises.

2. The Tenant for himself, his personal representatives, successors in interest, and assigns, as a part of the consideration covenants and agrees as a covenant running with the land that: 1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of the facilities; 2) that in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from

participation in, denied the benefits of, or otherwise be subject to discrimination.

3. Tenant shall use the premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, DOT, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as the Regulation may be amended.

4. Tenant shall furnish its accommodations and/or services on a fair, equal, and not unjustly discriminatory basis to all users and it must charge fair, reasonable, and not unjustly discriminatory prices for each unit or service; PROVIDED that the Tenant may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

5. Noncompliance with Provision 4 above shall constitute a material breach of this Agreement and in the event of such noncompliance, the Landlord shall have the right to terminate this lease Agreement without liability or at the election of the Landlord or the United States; either or both governments shall have the right to judicially enforce these provisions.

6. Tenant agrees that it shall insert the above five provisions in any lease agreement by which the Tenant grants a right or privilege to any person, firm, or corporation to render accommodations and/or services to the public on the leased premises.

7. The Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Tenant assures that it will require that its covered suborganization provide assurance to the Tenant that they similarly will require assurance from their suborganizations, as required by 14 CFR 152, Subpart E, to the same effort.

8. The Landlord reserves the right to further develop or improve the landing area of the Carson City Airport as it sees fit, regardless of the desires or view of the Tenant and without interference or hindrance.

9. The Landlord reserves the right, but shall not be obligated to the Tenant, to maintain and keep in repair the landing area of the Airport and all publicly-owned facilities of the Airport, together with the right to direct and control all activities of the Tenant in this regard.

10. This lease shall be subordinate to the provisions and requirements of any existing or future agreement between the Landlord and the United States, relative to the development, operation, or maintenance of the Airport.

11. The Landlord, its successors and assigns, for the use and benefit of the public, does reserve a right of flight for the passage of aircraft in the airspace above the surface of the lease premises. This public right of flight shall include the right to cause in the airspace any noise inherent in the operation of any aircraft used for navigation or flight through the airspace or landing at, taking off from, or operation of the Carson City Airport.

12. Tenant agrees to comply with the notification and review requirements covered in Part 77 of the Federal Aviation Regulations in the event future construction of a building is planned for the leased premises, or in the event of any planned modification or alteration of any present or future building or structure situated on the leased premises.

13. The Tenant by accepting this expressly agrees for itself, its successors and assigns that it will not erect nor permit the erection of any structure or object, nor permit the growth of any tree on the leased premises to a height more than ten (10) feet above the highest part of Tenant's building. In the event this covenant is breached, the Landlord reserves the right to enter upon the premises to remove the offending structure or object and cut the offending tree, all of which shall be at the expense of the Tenant.

14. The Tenant, by accepting this lease, agrees for itself, its successors and assigns, that it will not make use of the leased premises in any manner which might interfere with the landing and taking off of aircraft from Carson City Airport or otherwise constitutes a hazard. In the event this

covenant is breached, the Landlord reserves the right to enter upon the premises and to abate the interference at the expense of the Tenant.

15. It is understood and agreed that nothing contained in this lease shall be construed to grant or authorize the granting of an exclusive right within the meaning of Section 308a of the Federal Aviation Act of 1958 (49 U.S.C. 1349a).

F. Tenant assures complete compliance with the Carson City Airport Rules and Regulations upon leased premises.

9. ASSIGNMENT AND SUBLEASING. Tenant shall have no right to assign or sublet its interest in this lease except upon Landlord's prior consent. Any such assignment or sublease will be binding to assignees/sublessees on all terms and conditions in this lease.

Tenant shall have the right to assign, pledge, or hypothecate this lease for the purpose of securing additional financing, upon the prior approval of Landlord.

The parties agree that a transfer of corporate interests in excess of twenty-five percent (25%) shall be deemed an assignment of this lease.

The Landlord reserves the right to assign, pledge, or hypothecate this Agreement upon notice to the Tenant.

10. INSURANCE AND BONDING.

A. Coverage. As a condition precedent to this lease, Tenant shall provide, at his own cost, insurance coverage in the amount of ONE MILLION DOLLARS (\$1,000,000.00), the category to be under-written by a responsible insurance carrier, authorized by the State of Nevada to provide such coverage. The following coverage shall be included:

1. Third-party comprehensive general liability coverage for bodily injury and property damage including owned and non-owned aircraft, for any claim or liability for any injury or damage to any person or property occurring on the leased premises or arising out of or resulting from Tenant's operations or omissions at the Carson City Airport.

2. Products liability coverage in addition to the foregoing comprehensive general liability insurance where the licensee operates a food service or offers goods or merchandise for sale.

3. Statutory workers' compensation and employer's liability coverage to the extent required by law.

4. Fire and extended coverage and vandalism and malicious mischief insurance, as provided by the lease Agreements, for damage or destruction of real property or leasehold improvements, where the Landlord has, or will have, an interest in such property by virtue of an existing lease.

B. Insured Includes. Landlord must be named as an additional insured and requires that the insurance carrier underwriting such coverage give the Landlord thirty (30) days written notice prior to cancellation of or material alteration to the policy.

Landlord requires that Tenant provide Landlord with a Certificate of Insurance evidencing the coverage in effect, including limits and expiration date. Such policy or policies shall be maintained in full force and effect during the term of the lease, and renewals or extensions of same.

Landlord, its officers' boards, commissions, agents, and employees shall be held harmless in all respect for any cost, expense, or liability of any nature which may be incurred by the Tenant during the term of this Agreement.

Landlord shall have sole discretion in interpreting and enforcing all Federal, State, and local rules, regulations, codes, and ordinances in determining what is, or is not, acceptable.

Landlord may require Tenant to perform all necessary maintenance, repairs, removal, construction or cleaning/clearing of unsightly areas upon the leased premises. In the event such maintenance, repairs, removal, construction, or cleaning/clearing of unsightly areas is not undertaken as required, Landlord may perform such maintenance, repairs, removal, construction,
