December 13, 2016

Steven E. Tackes, Esq.
Legal Counsel
Carson City Airport Authority
Kaempfer Crowell
510 West Fourth Street
Carson City, NV 89703

Dear Mr. Tackes:

Please allow this letter to serve as the request of the Carson City Fire Department to operate a small Unmanned Aircraft System (sUAS)—commonly referred to as a “drone”—within five (5) miles of the Carson City Airport. The Carson City Fire Department is requesting this permission from the Carson City Airport Authority. *See* NRS 493.109(2).

Listed below is the model of the sUAS drone requested to be used, and the people who have current licenses to operate the drones. The people currently licensed for operation work in the City’s Public Works department. However, certain employees within the Fire Department are in the process of obtaining FAA certificates, and therefore the Fire Department requests permission to add those employees at a later date.

Model of sUAS (Drone) to Be Used

2016 DJI Phantom 4, Serial #: 07DDD3X0A10401; FAA Registration #: FA3N3XTA9F

<u>sUAS (Drone) Remote Pilot</u>	<u>Certificate Number</u>	<u>Date of Issue</u>
James V. Jacklett	3904553	30 Aug. 2016
Brandon Mathiesen	3913780	08 Sept. 2016
Rit Palmer	3906315	30 Aug. 2016

Please let me know if you have any questions or require any additional information.

Sincerely,

A handwritten signature in cursive script, appearing to read "Iris Yowell".

Iris Yowell
Deputy District Attorney
