CARSON CITY AIRPORT LEASE AGREEMENT

This lease, made and entered into this ___ day of _____, 2023, between Carson City, a consolidated municipality, a political subdivision of the State of Nevada, hereinafter referred to as “City” or “Carson City” (property owner) and the Carson City Airport Authority, an Airport operator per NRS 844 hereinafter referred to as “Airport Authority” (and together with City, “Landlord”), whose address is 2600 E. College Parkway #6 Carson City, Nevada 89706 (email to: manager@flycarsoncity.com), and --INSERT NAME OF TENANT-- (“Tenant”), whose address is --insert address-- (email to: --insert email address--).

WITNESSETH:

WHEREAS, the Tenant and Landlord desire to enter a lease as regards certain premises which include an existing hangar for use as a Fixed Based Operator under Title 19 of the Carson City Municipal Code; and

WHEREAS, the parties desire to establish such lease in a manner consistent with the Airport Master Plan and Carson City Municipal Code, so as to lease Tenant premises consistent with uses desired by Landlord and to provide economic activity and monetary support to the Carson City Airport (“Airport”); and

THEREFORE, Landlord and Tenant agree as follows:

1. PREMISES. Landlord leases to Tenant and Tenant leases from Landlord the real property located on the Airport property, within the east one half (1/2) of section four (4) Township 15, North, Range 20 East, MDM, Carson City, Nevada, on the east side of the north ramp area of the Airport, (former Shadetree Aviation lease; Doc. No. 449913 recorded Dec 24, 2014 with the Carson City Recorder) as depicted in the ramp diagram attached hereto, and as fully described on Exhibit A (“Legal Description”) to this lease, with the appurtenant rights included in Paragraph 8. The area is comprised of approximately 24,990 sq ft. of developed property.

2. TERM. The term shall be fifty (50) years from the date of execution hereunder.

3. BASE RENT. Tenant shall pay to Landlord \$_____ per year (\$_____ per month); calculated as \$0.____ per square foot per year (upon lease approval; to be paid on the first of the month following Board of Supervisor approval of the lease). Rent shall be payable monthly with payments due on the first day of each month. Tenant shall be responsible for the maintenance of the paving of ramp areas within the leasehold boundaries.

A. The rental rate includes payment for utilities infrastructure fees to utilize the utility plant previously installed on the Airport at the expense of the Airport Authority, but does not include hookup fees, if any, assessed by the Carson City Utility Department.

B. Tenant shall maintain, at Tenant's cost, utilities infrastructure in conformance with the engineering design and prior installation approved by the Airport Authority for this area.

C. Tenant to reimburse Landlord for the appraisal cost of \$2,500.00.

4. ADJUSTMENTS TO BASE RENT.

A. CONSUMER PRICE INDEX ADJUSTMENT. An adjustment of the rental and fees described above shall occur first on January 1, 2025, then at two-year anniversary intervals from January 1, 2025, during the term of this Lease. Such adjustment of rental shall be based upon the percentage change reflected by the Consumer Price Index (hereinafter called the "Price Index") for the preceding two-year period. The Price Index shall mean the average for "all items" shown on the "U.S. City Average for All Urban Consumers" as promulgated by Bureau of Legal Statistics of the U.S. Department of Labor, as amended or replaced by the Bureau of Legal Statistics. Landlord shall measure each two-year adjustment using the most recently available report, recognizing that it may be necessary to use a 2-year period with a final quarter ending prior to each January 1 adjustment date. In no event, however, shall any decrease in the Price Index result in a decrease of the rental below the base rate set forth at Section 3 of this lease. For example, if the Price Index for December 2024 is 155.0 (1982-1984=100), and for December 2020 was 150.0, then the rent would be adjusted by the difference (155.0-150.0) divided by 150.0 which equals a 3.3% increase.

B. MARKET TO MARKET LAND APPRAISAL. On January 1, 2038 (year 15), and thereafter at each 10-year anniversary of the lease term, the rent rate shall be adjusted to the appraised rate as determined by an MAI certified appraiser, selected from the Carson City Board of Supervisors' approved list of appraisers. Landlord and Tenant shall share equally the expense of such appraisals.

5. IMPROVEMENTS. Tenant accepts or purchase the existing improvement, including but not limited to the existing hangar, in as-is condition. In the event that Tenant proposed or later

chooses to undertake construction on the premises, said construction project shall be submitted to the Landlord for approval. Tenant shall meet the construction requirements and standards adopted by Landlord pursuant to Title 19 of the Carson City Municipal Code, including but not limited to, expending funds for maintenance on the property, pavement and improvements, at an effective rate of at least \$0.03/sqft/yr averaged over a 10-year period. Upon completion of construction, Tenant shall provide Landlord with an exterior and pavement maintenance plan and shall abide by the plan. Upon each 10-year anniversary of January 1, 2023, the Tenant shall report on its improvements to, and maintenance on, the leasehold made during the 10-year period. Upon request of Landlord, Tenant shall provide supporting documentation of such Tenant expenditures to ensure that the facility is being maintained in the same fashion (i.e. the same, good condition as when improvement construction was completed, normal wear and tear excepted). Such maintenance shall include, as a minimum, adequate care of the Tenant pavement such that the pavement remains no lower than a fair rating (i.e. PCI 58-74). Failure to maintain leasehold improvements at or above these standards shall be treated as a breach of this lease.

6. DEFAULT. The occurrence of any of the following shall constitute a default by Tenant:

A. Failure to pay rent when due if the failure continues for ten (10) days after notice has been given to Tenant.

B. Abandonment and vacation of the premises. Failure to occupy and operate the premises for thirty (30) consecutive days shall be deemed an abandonment and vacation, except to the extent such non-use is within the construction schedule.

C. Violation of Tenant or its contractors, and/or subcontractors of the terms and conditions of this lease, as determined by Landlord at its sole discretion. If such default is not cured, within ten (10) days after written notice thereof from Landlord to Tenant, Landlord may, at its sole discretion, suspend or terminate this Agreement.

D. Failure of Tenant to abide by all applicable laws, ordinances, rules and regulations of the United States, State of Nevada, or Carson City.

E. Filing a petition of voluntary or involuntary bankruptcy regarding Tenant.

F. The making by the Tenant of any general assignment for the benefit of creditors.

G. Violation of any of the standards, rules, and regulations set forth in CCMC Title 19, Appendix A of this lease, or Exhibit B to this lease, or failure to maintain current licenses required for the permitted operation.

H. Failure to provide or maintain the required certificates of insurance.

I. Failure to complete construction of the facilities as required by this lease and any exhibits or amendments thereto, or extensions granted by action of the Airport Authority at a publicly noticed meeting. Landlord may terminate this lease under this subsection at its sole discretion, with thirty (30) days written notice of its intention to terminate this Lease.

Notices given under this paragraph must specify the alleged default, the applicable lease provision(s), and must demand that Tenant cure its default and perform the provisions of this lease or pay the rent that is in arrears, within the applicable period of time, or quit the premises. Unless a different period to cure a default is specified in this lease, any notice of default from Landlord to the Tenant shall provide Tenant ten (10) days to cure its default, if the default is one that can be cured, or quit the premises. No such notice will be deemed a forfeiture or a termination of this lease unless Landlord so elects in the notice.

Failure to declare a breach or the actual waiver of any particular breach of this lease or its material or nonmaterial terms by either Landlord or Tenant shall not operate as a waiver by such party of any of its rights or remedies as to any other breach.

7. REMEDIES. Landlord shall have the following remedies if Tenant commits a default. These remedies are not exclusive; they are cumulative to any remedies now or later allowed by law. Such rights and remedies may be exercised and enforced concurrently and whenever and as often as Landlord deems appropriate. Any amount paid, or expense or liability incurred, by the

Landlord for the account of Tenant may be deemed to be additional charges, and the same may, at the option of Landlord, be added to any amounts then due or thereafter falling due.

A. Penalties. Landlord may assess any penalties permitted under Carson City Municipal Code Title 19, or any penalties otherwise provided by law if the default constitutes a violation of law.

B. Tenant's right to possession not terminated. Landlord can continue this lease in full force and effect, and the lease will continue in effect, as long as Landlord does not terminate Tenant's right to possession. Landlord shall have the right to collect rent when due. During the period Tenant is in default, Landlord can enter the premises and relet them, or any part of them, to third parties for Tenant's account. Tenant shall be liable immediately to Landlord for all costs Landlord incurs in reletting the premises. Reletting can be for a period shorter or longer than the remaining term of this lease. In the event of reletting, Tenant shall still pay to Landlord the rent due under this lease on the dates the rent is due, less the rent Landlord receives from any reletting.

If Landlord elects to relet the premises as provided in this paragraph, rent that Landlord receives from a third party upon reletting shall be applied to the payment of:

First, any indebtedness from Tenant to Landlord other than rent due from Tenant;

Second, all costs, including maintenance, incurred by Landlord in reletting;

Third, rent due and unpaid under this lease, after deducting the payments referred to in this paragraph. Any sum remaining from the rent Landlord received from reletting shall be held by Landlord and applied for payment of future rent as rent becomes due under this lease. In no event shall Tenant be entitled to any excess rent received by Landlord. If, on the date rent is due under this lease, the rent received from reletting is less than the rent due on the date, Tenant shall pay to Landlord, in addition to the remaining rent due, all costs including for maintenance Landlord incurred in reletting, that remain after applying the rent received from the reletting as provided in this paragraph.

C. Termination of Tenant's right to possession. Landlord can terminate Tenant's right to possession of the premises at any time after default. No act by Landlord other than

giving notice to Tenant shall terminate this lease. Acts of maintenance, efforts to relet the premises, or the appointment of a receiver on Landlord's initiative to protect Landlord's interest under this lease shall not constitute a termination of Tenant's right to possession. On termination, Landlord has the right to recover from Tenant the unpaid rent that had been earned at the time of termination of this lease, and any other amount, including court costs, necessary to compensate Landlord for all detriments proximately caused by Tenant's default.

8. APPURTENANT RIGHTS AND RESTRICTIONS.

A. Tenant may use the premises for FBO operations as described in the Carson City Municipal Code 19.02.020.350(5), and must provide at least one of those services. Tenant is expressly prohibited from conducting any activity at the Airport other than that provided by this lease or as may be approved by Landlord.

Tenant may conduct such non-aviation business upon the premises as are otherwise permitted by law and do not otherwise interfere with the aviation uses permitted under this lease and other leases on this Airport. Landlord's decision shall be final as to claims of conflict over interfering uses. No person may live in, or otherwise inhabit, any hangars constructed on the property leased.

All aircraft owned by the Tenant and stored on the leased area must be registered as personal property in Carson City, Nevada, unless such aircraft are transient and are not on the leased area for more than 21 consecutive days. Tenant shall supply Landlord with evidence of the registration and taxation information for aircraft stored on the leased premises on the two-year anniversaries of this lease, or upon such shorter period as may be requested by the Airport Manager or required by the Hangar Use Ordinance, or other applicable law or policy.

B. Ingress and Egress. Tenant shall have full and unimpaired access to the leased premises and a nonexclusive right to use the taxiways between the leased premises and the Airport's runway. Tenant shall be responsible for, and control the access to, the leased premises. Tenant is responsible for determining whether the designated taxilane access is sufficient for its needs. Access between the leasehold and Airport shall comply with the Landlord's rules, regulations, and/or access plans, and any rules or security regulations which may have been established or shall be established in the future by the FAA, the Transportation Security Administration (TSA), or the State of Nevada. To the extent that the Airport utilizes a key card or other gate control system, and charges Airport

users for such system, Tenant shall be entitled to use the system upon the same terms, conditions, and charges as other Airport users.

C. Right of Entry. Landlord, or its designated Airport Manager or agent, reserves the right to enter upon the premises at any reasonable time for the purpose of making any inspection deemed expedient or desirable for the proper enforcement of any terms, conditions, provisions, and covenants of this lease.

D. Air Space and Subsurface Rights. This lease confers no rights to the subsurface of the land more than five (5) feet below the ground level of the premises or to airspace more than ten (10) feet above the top of the roof of the building or buildings that is a part of the premises. Exported material must be approved by the Landlord as to placement or sale. Tenant acknowledges that Landlord is the owner of the dirt material in place at the time of lease. All exemptions or applications must have the prior approval of Landlord and comply with the Carson City Municipal Code Title 19, Airport Rules and Regulations.

E. Federal Requirements.

1. The Tenant for himself, his heirs, personal representatives, successors in interest, and assigns, as a part of the consideration, does covenant and agree as a covenant running with the land that Tenant shall comply with all Federal Aviation Regulations (FARs) applicable to Tenant's operations on the premises. 3. Fire and extended coverage and vandalism and malicious mischief insurance, for damage or destruction of real property or leasehold improvements, where the Landlord has, or will have, an interest in such property by virtue of an existing lease.

B. Workers' Compensation & Employer's Liability Insurance. In addition, to the extent required by law, Tenant shall provide workers' compensation insurance as required by NRS Chapters 616A through 617 inclusive and Employer's Liability insurance with a minimum limit not less than \$1,000,000 each accident for bodily injury by accident or \$1,000,000 each employee for bodily injury by disease.

C. Insured Includes. Both Airport Authority and Carson City, individually, must be named as additional insureds and the insurance carrier underwriting such coverage must give the Landlord thirty (30) days written notice prior to cancellation of, or material alteration to, the insurance policy.

Landlord requires that Tenant provide Landlord with a Certificate of Insurance evidencing the coverage in effect, including limits and expiration date. Such policy or policies shall be maintained in full force and effect during the term of the lease, including and renewals or extensions of this lease.

D. Review of Insurance coverage. Landlord reserves the right, every five years, to review and adjust the amount and kind of insurance coverage required.

E. Insurance to remain in effect. Tenant agrees to keep all insurance policies in effect, as required by this lease, until the time Tenant surrenders the premises.

11. INDEMNIFICATION. To the extent permitted by law, including, but not limited to, the provisions of NRS Chapter 41, Landlord and Tenant shall indemnify, hold harmless and defend, not excluding the other's right to participate, the other party from and against all liability, claims,

actions, damages, losses, and expenses, including but not limited to reasonable attorney's fees and costs, arising out of any alleged negligent or willful acts or omissions of the indemnifying party, its officers, employees and agents arising in connection to this lease. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of the indemnity which would otherwise exist as to any party or person described in this Section.

Except as otherwise provided below in this Section, the indemnifying party shall not be obligated to provide a legal defense to the indemnified party, nor reimburse the indemnified party for the same, for any period occurring before the indemnified party provides written notice of the pending claim(s) or cause(s) of action to the indemnifying party, along with: (1) a written request for a legal defense for such pending claim(s) or cause(s) of action; and (2) a detailed explanation of the basis upon which the indemnified party believes that the claim or cause of action asserted against the indemnified party implicates the culpable conduct of the indemnifying party, its officers, employees, and/or agents.

After the indemnifying party has begun to provide a legal defense for the indemnified party, the indemnifying party shall not be obligated to fund or reimburse any fees or costs provided by any additional counsel for the indemnified party, including counsel through which the indemnified party might voluntarily choose to participate in its defense of the same matter.

After the indemnifying party has begun to provide a legal defense for the indemnified party, the indemnifying party shall be obligated to reimburse the reasonable attorney's fees and costs incurred by the indemnified party during the initial thirty (30) day period of the claim or cause of action, if any, incurred by separate counsel.

In addition, and as more fully described in Section 12 of this lease, the Tenant further agrees to indemnify, hold harmless and defend Landlord from environmental liability for contamination or damage to the leased premises and any adjacent area to the leased premises related or connected with the occupation or use of the leasehold property.

12. ENVIRONMENTAL. The Tenant will conduct its business and operation on the leased premises in compliance with all applicable environmental laws and permits. No fuel storage (other than in aircraft fuel tanks of operational aircraft) is permitted on the leased premises. Flammable materials shall be stored in National Fire Code fireproof containers and not to exceed 5 gallons. The Tenant will forthwith notify the Landlord of the occurrence of any of the following and will provide the Landlord with copies of all relevant documentation in connection therewith:

- (a) a release of a hazardous substance on or about the leased premises except in strict compliance with applicable environmental laws and permits;
- (b) the receipt by the Tenant of an Environmental Notice; or
- (c) the receipt by the Tenant of information which indicates that hazardous substances are being used, dissipated, stored, disposed of or introduced into the environment by anyone in or about the leased premises in a manner other than that authorized under environmental laws.

Tenant will not permit the storage, use, treatment, disposal, or introduction into the environment of hazardous substances in or about the leased premises, except in compliance with applicable environmental laws. If the Landlord receives information that hazardous substances are being dissipated, used, stored, disposed of or introduced into the environment by anyone in or about the leased premises in a manner other than that authorized under environmental laws, the Tenant will conduct such investigations, searches, testing, drilling and sampling (“Investigations”) as are reasonably requested from time to time by the Landlord to determine the existence of hazardous substances in or about the leased premises or traceable to the leased premises. If the Tenant does not complete the Investigations to the satisfaction of the Landlord, the Landlord may enter the leased premises and take any actions necessary to complete the Investigations, the cost of which actions will be borne by the Tenant as additional rent. If remedial work is required due to the presence of hazardous substances on or in the leased premises, the Tenant will take all necessary action, at the cost of the Tenant, to restore the leased premises to a level acceptable to the Landlord and to all governmental authorities having jurisdiction. Upon the request of the Landlord, from time to time, the Tenant will provide to the Landlord satisfactory documentary evidence that all environmental permits are valid and in good standing.

Environmental Indemnity. The Tenant will indemnify and hold harmless Landlord, its officers, directors, employees, agents and shareholders, from and against any and all losses, claims, costs, expenses, damages and liabilities, including all costs of defending or denying the same, and all costs of investigation, monitoring, remedial response, removal, restoration or permit acquisition and including all solicitor’s fees (on a solicitor and own client basis) and disbursements in connection therewith which at any time may be paid or incurred by or claimed against the Landlord, its officers, directors, employees, agents and shareholders, arising, directly or indirectly, out of:

- (a) a breach by the Tenant of any of the covenants contained in Section 12 of this lease;

- (b) the presence of or release of any hazardous substance on or off-site of the leased premises;
- (c) any action taken by the Landlord with respect to the existence of any hazardous substance on or off-site of the leased premises; or
- (d) any action taken by the Landlord in compliance with any environmental notice with respect to the existence of any hazardous substance on or off-site of the leased premises;

and such indemnity will survive the expiration or any termination of this lease notwithstanding anything in this lease to the contrary.

13. MAINTENANCE. Landlord is not required to provide any maintenance, repairs, removal, and construction of the gross area leased or of buildings or facilities accepted or erected by Tenant.

Tenant shall provide and pay for all light, gas, electric, water, janitorial, sewer, trash and other utility charges used or incurred in or about the lease premises.

Tenant shall maintain all leased areas, salvage and rehabilitation areas, displays, storage areas, landscaping, pavement, facilities, and structures in a state of repair and good appearance acceptable to the Landlord. Landlord shall have sole discretion in interpreting and enforcing all Federal, State, and local rules, regulations, codes, and ordinances in determining what is, or is not, acceptable. No parking of vehicles, trailers or Tenant property shall be outside of the hangar, nor blocking any taxi lane, except that vehicles will be parked immediately in front of hangar door if such can be done without obstructing any taxi lane, taxiway or public use area, or in designated parking areas.

Landlord may require Tenant to perform all necessary maintenance, repairs, removal, construction or cleaning/clearing of unsightly areas upon the leased premises. In the event such maintenance, repairs, removal, construction, or cleaning/clearing of unsightly areas is not undertaken as required, Landlord may perform such maintenance, repairs, removal, construction, or cleaning/clearing of unsightly areas on behalf of Tenant, and at Tenant's expense, plus ten percent (10%) for administration.

14. TAX OBLIGATION. Tenant shall pay all taxes and assessments against any buildings or other structures and improvements used by Tenant in its operations, and if imposed at any future date, any and all real property taxes assessed against the land leased from Landlord, including any possessory interest taxes.

15. REMOVAL OF BUILDINGS AND IMPROVEMENTS. Tenant shall remove at his cost all buildings and improvements upon termination of this lease and restore the premises to its original condition. Title in building and improvements shall at all times during the lease term remain in the Tenant. The Landlord shall have the option on expiration of lease period, or upon termination of this lease, to take title of the buildings and improvements, at no cost or obligation to Landlord, in lieu of Tenant's obligation to restore the premises to its original condition.

16. REPORTING. Anything that affects the safe and efficient operation of the Airport shall be immediately reported to Landlord or the designated Airport Manager.

17. AMENDMENTS. Any amendments to this lease require approval by the Landlord and Tenant. All proposed amendments must be submitted in writing to Landlord for review and placement before a regularly scheduled meeting of the Airport Authority for consideration.

18. GENERAL. It is understood and agreed that each and all the terms of this lease are subject to the regulations and provisions of law applicable to the operation of the Airport as a Federal Aid Airport Project. If any provision of this lease is invalid, the other provisions of this lease which are valid shall remain in effect, and this lease will be re-negotiated to comply with the requirements of the applicable laws and regulations. In the event that negotiation attempts are unsuccessful, either party may petition the First Judicial District Court, which shall then be entitled to establish such replacement provisions or issue such rulings as are just, for the purpose of satisfying the intent of this lease's provisions.

The Tenant agrees to observe and obey during the terms of this lease all laws, rules, and regulations promulgated and enforced by the State of Nevada, Carson City, and by any other proper authority having jurisdiction over the conduct of operations at the Airport.

Landlord and the Carson City Sheriff's Office shall have complete dominion over the premises herein during the term of this lease for the purpose of, and to the extent necessary, to maintain law, order, and safety, and has the authority and the right to deny access to the Airport for any person who fails to obey all relevant laws, rules, and regulations.

19. NOTICES. It is agreed that any notice to be given or served upon either party shall be sufficient if sent by email; certified mail, postage prepaid, addressed to the address of the party listed at the beginning of this lease; or to such other address as may be designated in writing by such party.

20. PUBLIC RECORDS. Pursuant to NRS 239.010, information or documents received from Tenant may be open to public inspection and copying. Landlord will have the duty to disclose

unless a particular record is made confidential by law or a common law balancing of interests. Tenant may clearly label specific parts of an individual document as a “trade secret” or “confidential” in accordance with NRS 332.061, provided that Tenant thereby agrees to indemnify and defend Landlord for honoring such a designation. The failure to so label any document that is released by Landlord shall constitute a complete waiver of any and all claims for damages caused by any release of the records.

21. PROPER AUTHORITY. Landlord and Tenant represent and warrant that the person executing this lease on behalf of each party has full power and authority to enter into this lease. Tenant acknowledges that this lease is effective only for the period of time specified in this lease.

22. GOVERNING LAW / JURISDICTION. This lease and the rights and obligations of the Landlord and Tenant shall be governed by, and construed according to, the laws of the State of Nevada, without giving effect to any principle of conflict-of-law that would require the application of the law of any other jurisdiction. Tenant consents and agrees to the jurisdiction of the courts of the State of Nevada located in Carson City, Nevada for any dispute arising in relation to this lease.

23. ADDITIONAL CONDITIONS. Unless otherwise provided, Tenant shall comply with the Development/Construction Standards set forth in Appendix A. Unless otherwise provided, all construction materials, appearance, and building size shall be completed as represented in the submissions to Landlord.

24. ENTIRE CONTRACT AND MODIFICATION. This lease and its integrated attachment(s) constitute the entire agreement of Landlord and Tenant and such are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other contracts that may have been made in connection with the subject matter hereof. Unless an integrated attachment to this lease specifically displays a mutual intent to amend a particular part of this lease, general conflicts in language between any such attachment and this lease shall be construed consistent with the terms of this lease. Conflicts in language between this lease and any other agreement between Landlord and Tenant on this same matter shall be construed consistent with the terms of this lease. The parties agree that each has had their respective counsel review this lease which shall be construed as if it was jointly drafted.
